Welcome to your dream home nestled in the serene Mountain Ranch Subdivision in Palmer, Alaska. This beautifully maintained ranch home boasts breathtaking mountain views from every window and is situated on a landscaped corner lot. The spacious open floor plan creates an inviting atmosphere, perfect for both entertaining and everyday living. Stepping through the front door, you're greeted by the amazing living room, kitchen and dining area epitomizing both style and functionality. The kitchen is bathed in natural light, has granite counters and an undermount sink and is accentuated by strategically placed lighting along the top of the cabinets and also has a beautiful view of the mountains. Moving into the heart of the home, the living room beckons with its cozy fireplace and gentle breeze from the ceiling fan, promising serene evenings spent in relaxation. Entertainment enthusiasts will delight in the convenience of a TV mount above the fireplace and surround sound, setting the stage for immersive movie nights or lively gatherings with loved ones. The seamless integration of technology and comfort is a testament to the thoughtful design of this home. Throughout the living, dining, and kitchen areas, crown molding adds a touch of grandeur. Retreat to the sanctuary of the primary bedroom, where luxury meets tranquility. Crown molding and mood lighting set the tone for restful nights, while a ceiling fan ensures optimal
